PAYMENT POLICY

Payments are due and payable in full upon receipt. Payments received after the first day of the month for which coverage is in effect are deemed "late" and penalties may apply.

Premiums must be paid in full by the end of the grace period (60 days for life coverage; 30 days for all other lines of coverage) in order for coverage to continue. See your policy for grace period details. Reinstatement is at the absolute and sole discretion of BLUE CROSS and reinstatement fee will apply.

Groups that cancel due to nonpayment and are later reinstated will be required to setup recurring monthly payments on Employer Access to prevent future cancellations.

Please note that the depositing of a check does not constitute acceptance of premium or a guarantee of coverage.

For BLUE CROSS billing questions call (855) 854-1429.

Your health plan is billing you for the cost of your health coverage. You must pay all amounts listed in this bill by the due date. If you do not pay this amount of the due date, your health coverage can be cancelled. You will receive a grace period before your plan can cancel your coverage for not paying the amount due. You can file a complaint with your plan and with the California Department of Managed Health Care if you think there is a mistake. Learn more about your health care rights and responsibilities in your plan's Evidence of Coverage.
